Introduction and Background

Howard County, Maryland is a suburban community of over 317,233 situated midway along the Baltimore-Washington corridor. It is a county of contrasts - a blend of old and new, urban and rural, historical and progressive. The county's borders encompass Ellicott City, one of the country's oldest towns, and Columbia, a planned community conceived and designed 50 years ago by The Rouse Company. A great community deserves great schools, and HCPSS is a recognized source of local pride. HCPSS is a school system of 77 schools, elementary, middle, high, and special schools. The school system consistently ranks among Maryland's top school districts based on student performance on the Maryland School Assessments. Howard County students score above the national averages on standardized tests and over 85% of graduates continue their education beyond high school. Respondents to this solicitation are encouraged to review additional information about the school system at <http://www.hcpss.org/about-us/>.

Respondents to this solicitation are encouraged to review the data contained in HCPSS's website for a better understanding of HCPSS, its organization and management, and the services it provides. The website is <http://www.hcpss.org>.

SECTION 2

TERMS AND CONDITIONS

1. Contractor's/Offeror's Responsibility. Offerors are advised to read the requirements very carefully to ensure that each requirement is understood. If in doubt, develop and submit applicable questions in writing to the contact at the Issuing Office. An Offeror's misinterpretation of requirements shall not relieve the Offeror of the responsibility to address accurately the requirements of the RFP or to perform the Contract, if awarded. HCPSS will enter into a contractual agreement with the selected Contractor(s) only. The selected Contractor(s) shall be solely responsible for all services as required by this RFP. Subcontractors, if any, will be the responsibility of the Contractor(s) and the role of subcontractors shall be clearly identified in the proposal. The use of a subcontractor(s) does not relieve the Contractor(s) of liability under a Contract.
2. Contractor Responsibilities and Use of Subcontractors.
 - 2.1. HCPSS shall enter into contractual agreement with the selected Contractor only. The use of subcontractors does not relieve the Contractor of liability. The Contractor shall be fully responsible for acts and omissions of its subcontractors and of persons directly or indirectly employed by them. HCPSS is not responsible for the fulfillment of the Contractor's obligations to subcontractors.
 - 2.2. Subcontractors, if any, shall be identified in the Technical Offer with a complete description of their role relative to the project. The Contractor may not contract with any such proposed person or entity to whom HCPSS has a reasonable objection. Notification of such objection will be made by HCPSS prior to contract execution.
3. Contract Assignment. Neither party may assign this Contract without the prior written consent of the other party.
4. Non-Discrimination in Employment. The Contractor agrees: (a) not to discriminate in any manner against an employee or applicant for employment because of race, color, religion, creed, age, sex, marital status, national origin, ancestry, or physical or mental disability unrelated in nature and extent so as reasonably to preclude the performance of such employment; (b) to include a provision similar to that contained in subsection (a), above, in any subcontract except a subcontract for standard commercial supplies or raw materials; and (c) to post and to cause subcontractors to post in conspicuous places available to employees and applicants for employment, notices setting forth the substance of this clause.
5. Behavior of Contractor Employees/Subcontractors. HCPSS is committed to providing a work and study environment that is free from discrimination and harassment on the basis of race, color, religious creed, ancestry, national origin, age, sex, marital status, handicap, pregnancy, or status as a disabled veteran or veteran of the Vietnam era. Behavior contrary to this philosophy, which has the purpose or effect of creating an intimidating, hostile, or offensive environment, will not be tolerated by HCPSS, and it is the Contractor's responsibility to ensure that such behavior by its employees, agents, and subcontractors does not occur. The policy extends to maintaining an environment free from sexual harassment. Therefore, sexual advances or sexual remarks, requests for sexual favors, and other verbal or physical conduct of a sexual nature shall not be condoned or permitted by the Contractor. This prohibition extends to such harassment within the employment context as well as harassment of students, staff, and visitors to HCPSS. It should be assumed that all sexual behavior by the Contractor's employees, agents, and subcontractors on any campus or facility of HCPSS, whether owned, operated, maintained or leased by HCPSS, is improper and unwelcome. Contractor will also ensure that all technicians who work with HCPSS users exhibit a high degree of professionalism in their dealings with those users. The Contractor's employees and subcontractors shall be subject to and comply with all applicable HCPSS rules, regulations and policies which shall include those regulations relating to safety, security and campus parking. If deemed necessary, HCPSS reserves the right to demand the removal of any of the Contractor's employees/subcontractors from duty on its premises as a result of their violation of the standards set forth herein.
6. Tobacco Free and Alcohol/Drug Free Environment. HCPSS maintains a tobacco, alcohol/drug free environment. The sale or use of tobacco, alcohol or drugs, in any form, or related product, is prohibited in school buildings and grounds at all times. Persons found violating this policy will be requested to remove the

product and themselves from school premises.

7. Criminal History Background Checks. All employees, agents, or representatives of the awarded contractor who will be performing work on any phase of the contract arising out of this RFP will be subject to a criminal history background check at the Contractor's expense. Such persons shall provide fingerprints and other required information to facilitate such a check, as well as the necessary fees to obtain such a check from the federal or state government. At the completion of a background check, the school system may, at its sole discretion, decide that a particular employee, agent, or representative of the contractor be barred from school system property.
8. Child Sex Offender Notification.
 - 8.1. Sex Offender Requirement: Maryland law requires certain sex offenders to register with the local law enforcement agency; See Maryland Annotated Code, Criminal Procedure Article, §11- 704. One of the purposes of this law, is to inform school systems when a Registered Sex Offender is residing or working in the area. When the sex offender registers, the local police are required to notify the Superintendent of Schools, and the Superintendent, in turn, is required to send a notice to school principals.
 - 8.2. As a contractor working for HCPSS we require that you do not employ Registered Sex Offenders to work on projects for our school system if they, as a result, are required to perform delivery, installation, repair, construction or any other kind of services on HCPSS property. Further, Maryland Law that became effective June 22, 2006, requires that any person who enters a contract with a county board of education or a non-public school "may not knowingly employ an individual to work at a school" if the individual is a registered sex offender; See §11- 722 Criminal Procedure Article. An employer who violates this requirement is guilty of a misdemeanor and if convicted may be subject to up to five years imprisonment and/or a \$5,000 fine.
 - 8.3. Each contractor shall screen their workforce to ensure that a Registered Sex Offender does not perform work at a county public school and also ensure that a subcontractor and independent contractor conducts screening of its personnel who may work at a school. The term "workforce" is intended to refer to all of the contractor's direct employees and subcontractors and/or independent contractors it uses to perform the work. Violations of this provision may cause HCPSS to take action against the contractor up to and including termination of the contract.
 - 8.4. Effective July 1, 2015, amendments to § 6-113 of the Education Article of the Maryland Code further require that a contractor or subcontractor for a local school system may not knowingly assign an employee to work on school property with direct, unsupervised, and uncontrolled access to children, if the employee has been convicted of, or pled guilty or nolo contendere to, a crime involving a sexual offense, child sexual abuse and crimes of violence.
 - 8.5. The Contractor shall submit to HCPSS a listing of any employees assigned to perform under this agreement and certify that the necessary criminal history records checks have been conducted and that each employee complies with the requirements.
9. Occupied Buildings. Work under this contract and any resulting contract or sub- contract will take place while school facilities are occupied by staff and often also by students and visitors. Every precaution shall be exercised to protect people from injury and to minimize disruption of activity. As well, contract employees shall conduct themselves in a professional manner while on HCPSS's premises. Any employee found to disregard the nature of the school system's surroundings shall be removed from the premises and may be prohibited from further servicing HCPSS contract.
10. Identification and Sign-in Procedures. All contractor personnel, working in or around buildings designated under this contract, shall have a valid driver's license or photo ID and a company issued ID with company name/logo matching driver's license or photo ID in their possession at all times. Contractors may be required to provide identification and sign-in and sign-out at the front office at each site on a daily basis during the course of each project or they may receive a HCPSS badge allowing them to access the job site without signing in and out.

11. Ethics Regulations.

11.1. The Board of Education of Howard County has adopted an Ethics Regulation policy. Required by the Annotated Code of Maryland, these Ethics Regulations cover members of the Board of Education, the Superintendent, and all employees; and it specifies limits of participation of these individuals with entities doing business with HCPSS. For a copy of the regulations, please contact the Purchasing Office, Howard County Department of Education (410) 313-6644.

11.2. Any resulting Contract is cancelable in the event of a violation of HCPSS Ethics Regulation policy or the Maryland Public Ethics Law by a Contractor or any HCPSS employee in connection with this procurement.

12. Taxes. HCPSS is exempt from Federal Excise Taxes, Maryland Sales and Use Taxes. Exemption Certificates shall be provided upon request. In the instance a Contractor is required to furnish and install material in the construction or improvement of real property in performance of a Contract, the Contractor shall pay the Maryland Sales Tax and the exemption will not apply.

13. Multi-Agency Participation.

13.1. Under §5-112, Paragraph (3) of the Education Article of the Annotated Code of Maryland HCPSS may with Board of Education approval participate in contracts for goods or commodities that are awarded by other public agencies or by intergovernmental purchasing organizations if the lead agency for the contract follows the public bidding procedures. HCPSS therefore reserves the right to extend the terms and conditions of this solicitation to any and all other agencies within the state of Maryland as well as any other federal, state, municipal, county, or local governmental agency under the jurisdiction of the United States and its territories. This shall include but not limited to private schools, parochial schools, non-public schools such as charter schools, special districts, intermediate units, non-profit agencies providing services on behalf of government, and/or state, community and/or private colleges/universities that require these goods, commodities and/or services. A copy of the contract pricing and the requirements incorporated in this contract will be supplied to requesting agencies.

13.2. Each participating jurisdiction or agency shall enter into its own contract with the awarded Offeror(s) and this contract shall be binding only upon the principals signing such an agreement. Invoices shall be submitted in duplicate "directly" to the ordering jurisdiction for each unit purchased. Disputes over the execution of any contract shall be the responsibility of the participating jurisdiction or agency that entered into that contract. Disputes shall be resolved solely between the participating agency and the awarded Offeror(s).

SECTION 3

SPECIAL TERMS AND CONDITIONS

 - 1.1.4. Contractor's Best and Final Offer (if requested)
 - 1.2. All terms and conditions of HCPSS's solicitation, and any amendments thereto, are part of this Agreement unless expressly contradicted by a term or condition of this Agreement. Proposals or suggestions of the Contractor for changes in the solicitation or the terms and conditions of the contract are not binding upon HCPSS and are not a part of this Agreement unless set forth in an amendment of the solicitation or in this Agreement and agreed to in writing by HCPSS.
2. Contract Period. The initial Contract term shall be for five (5) years from the date of contract execution. HCPSS may solely authorize five (5) additional one-year term (a maximum of ten one-year terms) pending successful performance and availability of funds.
3. Price Adjustments
 - 3.1. Annual price adjustments will be considered after the initial contract period. HCPSS will consider adjustments based on the following conditions:
 - 3.1.1. Labor rates based upon federal minimum wage increases and decreases in the Consumer Price Index (CPI-U), Washington-Baltimore Region, as published by the Bureau of Labor Standards (increases above a 10% cap will not be considered). Adjustments will be calculated by comparing the current index with the previous index available when contract was established so as to determine the change in index points. The point change will then be divided by the price index to obtain the percentage of change. The percentage of change will then be multiplied by .75 to obtain the adjustment to be applied to the current prices.
 - 3.1.2. In order to receive consideration for a price increase, the contractor shall submit to HCPSS a statement of any change in price to be applied.
 - 3.2. Price increase requests will not be considered if not accompanied with the proper information.
 - 3.3. Product changes may be considered. Pricing for the changes shall be at the same mark up as originally bid. The awarded Offeror shall offer current pricing or be able to demonstrate the percentage markup. HCPSS shall be the sole determinant in accepting product or pricing changes.
4. HCPSS Project Coordinator. HCPSS will designate a staff member to act as coordinator ("Program Coordinator") between HCPSS and the Contractor. Throughout the period of the Contract, copies of all correspondence, work products, specifications, estimates and other materials prepared by the Contractor should be directed to the Program Coordinator and also to any other HCPSS personnel designated by the Program Coordinator. Direct contact or communication by the Contractor with other HCPSS offices or any other entity concerning the Contract shall be made only with the prior knowledge and concurrence of the Program Coordinator.
5. Professional Services. The Contractor shall utilize personnel named and/or otherwise identified in its submittal responding to HCPSS's solicitation unless (a) a change is requested by the Contractor and approved in writing by the Program Coordinator; or (b) a change is requested in writing by the Program Coordinator for good cause, in which case the Contractor shall make an appropriate substitution, subject to HCPSS's approval, and notify HCPSS in writing. Major changes in the Contractor's organization or personnel (other than the Contractor's Team) shall be reported to HCPSS in writing as they occur.
6. Billing and Payment.
 - 6.1. The contractor shall submit invoices to the attention of the selected Program Coordinator, Howard County Department of Education, 10910 Rt. 108, Ellicott City, MD21042.

6.1.1. Invoices shall contain the following information:

- 6.1.1.1. Contract Number
- 6.1.1.2. Purchase Order Number
- 6.1.1.3. Customer Name and Address
- 6.1.1.4. Description of service invoiced
- 6.1.1.5. Total due

6.2. All fees are exclusive of applicable federal, state, local, and foreign sales, use, excise, utility, gross receipts, value added and other taxes, tax-like charges and tax-related surcharges. HCPSS is generally exempt from such taxes, and Contractor agrees not to charge HCPSS for such taxes in accordance with applicable law. HCPSS will provide exemption certificates upon request.

6.3. HCPSS provides payments on a net 30-day basis for HCPSS approved invoices.

7. Acceptance Procedure. HCPSS will make every effort to pay the Contractor within thirty (30) days of acceptance of all deliverables associated with each invoice. Notwithstanding any other provision of this RFP, all invoices must be accompanied with documentation that details the number of hours expended and nature of work performed by Contractor's personnel and/or subcontractor staff in the performance of work under the Contract.

8. Confidential Information.

8.1. Contractor acknowledges and understands that HCPSS is required to protect certain Confidential Information from disclosure under applicable law, including but not limited to, the Family Educational Rights and Privacy Act ("FERPA"), the Gramm Leach Bliley Act ("GLBA"), or the Maryland Public Information Act ("PIA"), including regulations promulgated there under, as the laws and regulations may be amended from time to time (collectively the "Privacy Laws"). See attached CLIENT Data Sharing Agreement.

8.2. The Confidential Information that is protected under FERPA was provided to the Contractor as it is handling an institution service or function that would ordinarily be performed by HCPSS's employees. The Contractor agrees that it shall be obligated to protect the Confidential Information in its possession or control in accordance with the Privacy Laws to the same extent as HCPSS would be obligated if the Confidential Information was in the possession or control of HCPSS. The Contractor further agrees that it is subject to the requirements governing the use and re-disclosure of personally identifiable information from education records as provided in FERPA.

8.3. Contractor's obligations with respect to Confidential Information shall survive the expiration or the termination of this Contract.

8.4. Contractor acknowledges that Contractor's failure to comply fully with the restrictions placed upon use, disclosure and access to Confidential Information may cause HCPSS grievous irreparable harm and injury. Therefore, any failure to comply with the requirements of this Section shall be a material breach of this Contract.

8.5. Contractor agrees and acknowledges that it is not the custodian of any Confidential Information that may be in Contractor's possession or control. Contractor shall forward any request for disclosure of Confidential Information to:

Public Information Office
The Howard County Public School System
10910 Clarksville Pike
Ellicott City, MD 21042

9. Relationship of the Parties. It is understood and agreed that Contractor is an independent contractor of HCPSS, and not an employee. Except as set forth in this Contract, HCPSS will not withhold income taxes, social security or any other sums from the payments made Contractor hereunder. All employees or contractors of Contractor shall in no way be considered employees of HCPSS, but rather they shall be

employees or contractors of Contractor, and Contractor shall bear full responsibility for compensating those persons and for the performance of the Services by way of them.

10. Insurance. Contractor shall maintain in full force and effect adequate insurance coverage to protect against the risks associated with the performance of Services under this Contract, as further set forth in HCPSS Insurance Requirements, or as set forth in Contractor's proposal should the coverage and limits therein exceed the required minimum levels. Contractor shall provide to the Purchasing Office a certificate of insurance including evidence of the required limits at the execution hereof, and annually thereafter.
11. Indemnification. The Awarded Contractor shall be responsible for any loss, personal injury, expense, death and/or any other damage which may occur by reason of Contractors acts, negligence, willfulness or failure to perform any of its obligations under this agreement. Furthermore, any acts on the part of any agent, director, partner, servant or employee of the Contractor are deemed to be the Contractors acts. Contractor agrees to indemnify and hold harmless HCPSS and its Board of Trustees, Employees, Agents and Students from any claim, damage, liability, expense, and/or loss, including defense costs and attorney fees, arising directly or indirectly out of the Contractor's performance under this agreement. The indemnification obligation of the successful Contractor shall include but shall not be limited to injuries to individuals and property of individuals who are not parties to the contract. In addition, the indemnification obligation of the successful Contractor shall cover the acts or omissions of any subcontractors hired by the successful Contractor. Furthermore, the indemnification obligation of the successful Contractor shall survive termination of the contract for any reason. Neither party shall be liable to the other for indirect, consequential, incidental, punitive, exemplary, or special damages, or losses, including without limitation lost profits and opportunity costs.
12. Termination for Default. If the Contractor fails to fulfill its obligation under this Contract properly and on time, or otherwise violates any provision of the Contract, HCPSS may terminate the Contract by written notice to the Contractor. The notice shall specify the acts or omissions relied upon as cause for termination. HCPSS will provide Contractor a reasonable opportunity, not to exceed 10 business days, to cure the act or omission, provided such opportunity to cure does not extend the deadline for any deliverables and does not cause HCPSS further damage. All finished or unfinished work provided by the Contractor, to which HCPSS is entitled pursuant to this Contract shall become HCPSS's property. HCPSS shall pay the Contractor fair and equitable compensation for satisfactory performance prior to receipt of notice of termination, less the amount of damages caused by Contractor's breach. If the damages are more than the compensation payable to the Contractor, the Contractor will remain liable after termination and HCPSS can affirmatively collect damages.
13. Termination for Convenience. The performance of work under this Contract may be terminated by HCPSS in accordance with this clause in whole, or from time to time in part, whenever HCPSS shall determine that such termination is in the best interest of HCPSS. HCPSS will pay all reasonable costs associated with this Contract that the Contractor has incurred up to the date of termination and all reasonable costs associated with termination of the Contract. However, the Contractor shall not be reimbursed for any anticipatory profits that have not been earned up to the date of termination.
14. Delays and Extension of Time. The Contractor agrees to prosecute the work continuously and diligently and no charges or claims for damages shall be made by it for any delays or hindrances from any cause whatsoever during the progress of any portion of the work specified in this Contract. Time extensions will be granted only for excusable delays that arise from unforeseeable causes beyond the control and without the fault or negligence of the Contractor, including but not restricted to, acts of God, acts of public enemy, acts of the State in either its sovereign or contractual capacity, acts of another Contractor in the performance of a contract with the State or HCPSS, changes in law or regulation, action by government or other competent authority, fires, earthquakes, floods, epidemics, quarantine restrictions, strikes, freight embargoes, malicious or criminal acts of third parties, or delays of subcontractors or suppliers arising from unforeseeable causes beyond the control and without the fault or negligence of either the Contractor or the subcontractors or suppliers.
15. Suspension of Work. The Purchasing Office unilaterally may order the Contractor in writing to suspend, delay, or interrupt all or any part of its performance for such period of time as the Purchasing Office may determine to be appropriate for the convenience of HCPSS.
16. Contract Integration and Modification. This Contract and the documents incorporated herein form the entire

agreement of the parties with respect to the subject matter of this procurement, and supersede all prior negotiations, agreements and understandings with respect thereto. This Contract may be amended with the written consent of both parties. Amendments may not significantly change the scope of the Contract.

17. No Third-Party Beneficiaries. This Agreement is only for the benefit of the undersigned parties and their permitted successors and assigns. No one shall be deemed to be a third-party beneficiary of this Agreement.
18. Notices. Notices under this Contract will be written and will be considered effective upon personal delivery to the person addressed.
19. Retention of Records. Contractor shall retain and maintain all records and documents relating to this Contract for three years after final payment and will make them available for inspection and audit by authorized representatives of HCPSS, including the Purchasing Office or designee, at all reasonable times.
20. Contingent Fee Prohibition. The Contractor warrants that it has not employed or retained any person, partnership, corporation, or other entity, other than a bona fide employee or agent working for the Contractor, to solicit or secure this Contract, and that it has not paid or agreed to pay any person, partnership, corporation, or other entity, other than a bona fide employee or agent, any fee or any other consideration contingent on the making of this Contract.
21. Compliance with Laws. The Contractor hereby represents and warrants that:
 - 21.1. It is qualified to do business in the State of Maryland and that it will take such action as, from time to time hereafter, may be necessary to remain so qualified;
 - 21.2. It shall comply with all federal, State, and local laws, regulations, and ordinances applicable to its activities and obligations under this Contract; and
 - 21.3. It shall obtain, at its expense, all licenses, permits, insurance, and governmental approvals, if any, necessary to the performance of its obligations under this Contract.
22. Multi-Year Contracts Contingent Upon Appropriations. If HCPSS fails to appropriate funds or if funds are not otherwise made available for continued performance for any fiscal period of this Contract succeeding the first fiscal period, this Contract shall be canceled automatically as of the beginning of the fiscal year for which funds were not appropriated or otherwise made available; provided, however, that this will not affect either HCPSS's rights or the Contractor's rights under any termination clause in this Contract. The effect of termination of the Contract hereunder will be to discharge both the Contractor and HCPSS from future performance of the Contract, but not from their rights and obligations existing at the time of termination. The Contractor shall be reimbursed for the reasonable value of any nonrecurring costs incurred but not amortized in the price of the Contract. HCPSS shall notify the Contractor as soon as it has knowledge that funds may not be available for the continuation of this Contract for each succeeding fiscal period beyond the first.

Following evaluation of the Proposals the Evaluation Committee will make an initial overall ranking of the Proposals and recommend to the Purchasing Office the award of the contract(s) to the Offeror whose Proposal(s) is (are) determined to be the most advantageous to HCPSS.  - 1.2. Following the Purchasing Office's qualifying review and approval, the decision for progressing in the procurement process will be made based ranking the strengths, weaknesses, advantages, and deficiencies of each Proposal. 3. Oral Presentations/Discussion Sessions.

It is important that those key personnel who are proposed to be assigned to HCPSS fully participate in the presentation and discussion. These individuals may be asked to demonstrate their technical skills so HCPSS can evaluate their knowledge and expertise for the specific position they will fill. Ample time will be available for HCPSS and the Offeror to ask questions and discuss issues and concerns related to the Project, the scope of the services, and the Offeror's capabilities and qualifications. We anticipate that the Discussion Session will be approximately 90 to 120 minutes in length. Following the Discussion Session, additional follow-up and/or clarification documentation may be requested of each Offeror.

industry best practices. This includes appropriate administrative, physical, and technical safeguards to: 1) ensure the security and confidentiality of CLIENT DATA; 2) protect against any anticipated threats or hazards to the security or integrity of CLIENT DATA; 3) protect against unauthorized access to or use of CLIENT DATA that could result in substantial harm or inconvenience to any customer or to any client employee and/or student; and 4) dispose of CLIENT DATA Information in a secure manner.

1. To comply with the safeguard obligations generally described above, VENDOR has (a) designated an employee to coordinate its information security program, (b) identified reasonably foreseeable internal and external risks to the security, confidentiality, and integrity of CLIENT DATA that could result in the unauthorized disclosure, misuse, alteration, destruction, or other compromise of such data, and assessed the sufficiency of any safeguards in place to control these risks, and (c) designed and implemented information safeguards to control the risks identified through the risk assessment, and regularly tests or otherwise monitors the effectiveness of safeguards' key controls, systems and procedures.
 2. VENDOR will conduct periodic risk assessments and remediate any identified security vulnerabilities in a timely manner. VENDOR will also have a written incident response plan, to include prompt notification of HCPSS in the event of a security or privacy incident, as well as best practices for responding to a breach of PII.
- O. **Data Breaches:** VENDOR shall notify CLIENT in writing as soon as commercially practicable, however no later than forty-eight (48) hours, after VENDOR has either actual or constructive knowledge of a breach which affects the confidentiality, integrity, and/or availability of CLIENT's DATA (an "Incident") unless it is determined by law enforcement that such notification would impede or delay their investigation. VENDOR shall have actual or constructive knowledge of an Incident if VENDOR actually knows there has been an Incident or if VENDOR has reasonable basis in facts or circumstances, whether acts or omissions, for its belief that an Incident has occurred. The notification required by this section shall be made as soon as commercially practicable after the law enforcement agency determines that notification will not impede or compromise the investigation. VENDOR shall cooperate with law enforcement in accordance with applicable law provided however, that such cooperation shall not result in or cause an undue delay to remediation of the Incident. VENDOR shall promptly take appropriate action to mitigate such risk or potential problem at VENDOR's expense. In the event of an Incident, VENDOR shall, at its sole cost and expense, restore the Confidential Information, to as close its original state as practical, including, without limitation any and all Data, and institute appropriate measures to prevent any recurrence of the problem as soon as is commercially practicable.
- P. **Employee and Subcontractor Qualifications:** VENDOR shall ensure that its employees and all subcontractors who have potential access to CLIENT DATA possess all needed qualifications to comply with the terms of this Agreement. Further, all employees and subcontractors are subject to the same FERPA compliance in relation to the 'school official' designation, and shall be trained that the re-disclosure of PII and/or Confidential Information will violate federal and state laws and may result in criminal and/or civil penalties.
- Q. **Governing Law:** This agreement shall be governed by and construed in accordance with the laws of Maryland, excluding its choice of law rules. Any action or proceeding seeking any relief under or with respect to this Agreement shall be brought solely in the appropriate Maryland Court. VENDOR will comply with Maryland Education Code ANN. § 4-131, "Operators of School Internet Web sites, Online Services, Online Applications, and Mobile Applications." VENDOR agrees to be bound as an "operator" under the law regardless of the VENDOR's exemptions that may exist in Maryland Education Code ANN. §

- T. **Limitation of Liability:** VENDOR shall be liable for any and all damages, costs and attorneys' fees which CLIENT may incur as a result of any claims, suits and judgments against CLIENT which arise out of any breach of this Agreement of the VENDOR, its employees, servants, representatives or agents under the term of this Agreement.
- U. **Monitoring:** VENDOR agrees to allow CLIENT the ability to audit VENDOR's use of CLIENT DATA to ensure compliance with the terms of the Agreements.
