1. This part details the submittal evaluation and selection process for submissions.

#### B. Submittal Evaluation and Selection

1. The HCPSS will evaluate submittals on the basis set forth in this section. A contract may be awarded to the Contractor(s) whose submittal best meets HCPSS/ requirements and needs at the time of the award.
2. Submittals shall comprehensively address all of the desired services outlined in the Request for Proposal and shall demonstrate the successful performance of similar contracts by the contractor making the submittal, and shall offer the most cost effective submittal for the desired services.
3. Submittals shall be evaluated by a Selection Advisory Committee that may request additional technical assistance from any source. The Committee shall first review each submittal for compliance with requirements of the Request for Proposal. The Committee may recommend that the HCPSS waive minor irregularities in order to assure quality of service in the remaining areas and if it determines that, the decision is in the best interests of HCPSS.
4. **Only the firms whose proposal has achieved the required 70% minimum or better technical score will be considered for award.** HCPSS reserves the right to make an award with or without negotiations or request best and final offers or to make an award without further review.
5. Based on the results of the preliminary evaluation, the highest rated offerors may be invited by the Director of Purchasing to make oral presentations to the Selection Advisory Committee. This committee shall then conduct a final evaluation of the proposals. The Selection Advisory Committee shall then negotiate a contract with the highest rated offeror. At this time, the offeror and the Selection Advisory Committee may negotiate any changes desired in the offer if deemed in the best interest of HCPSS. If a satisfactory contract cannot be negotiated with the highest qualified offeror, negotiations shall be formally terminated. Negotiations shall then be undertaken with the second rated offeror and so on.
6. The Director of Purchasing may arrange for discussions with firms submitting proposals, if required, for the purpose of obtaining additional information or clarification.
7. Offerors are advised that, in the event of receipt of an adequate number of proposals, which, in the opinion of the Director of Purchasing, require no clarifications and/or supplementary information, such proposals may be evaluated without further discussion. Hence, proposals should be submitted initially on the most complete and favorable terms from a technical standpoint which offerors are capable of submitting to HCPSS. Should proposals submitted require additional clarification and/or supplementary information, offerors should be prepared to submit such additional clarification and/or supplementary information, in a timely manner, when so requested.

8. Proposals which, after discussion and submission of additional clarification and/or supplementary information, are determined to meet the specifications of this Request for Proposal shall be classified as "acceptable". Proposals found not to be acceptable shall be classified, as "unacceptable" and no further discussion concerning same shall be conducted.

**C. Basis For Award**

The Howard County Public School System reserves the right to award the contract in the aggregate, by individual service, or any combination, whichever is in the best interest of the HCPSS or to make multiple awards in a primary, secondary manner depending on the capacity of the awarded vendors to service the school system.
2. A Selection Advisory Committee has been established to review and evaluate all proposals submitted in response to this Request for Proposal. The Committee shall conduct a preliminary evaluation of all proposals based on the information provided with the statement of qualifications, and the evaluation criteria listed below.
3. The Committee will use the following criteria and weighing in preparing its technical evaluation of each qualifying submittal as follows:

Repeated instances of violations by contract employees may result in a default ruling and lead to contract termination.

BB. RIGHT TO ASSIGN WORK

The school system reserves the right to obtain separate contracts through its normal procurement process according to the best interests of the school system.

CC. INDEMNIFICATION

The Awarded Contractor shall be responsible for any loss, personal injury, expense, death and/or any other damage which may occur by reason of Contractors acts, negligence, willfulness or failure to perform any of its obligations under this agreement. JJ. PRICE ADJUSTMENTS

The Howard County Public School System will only consider adjustments on labor rates based only upon federal minimum wage increases and decreases in the Consumer Price Index (CPI-W), Baltimore Region, as published by the Bureau of Labor Standards. Requested increases above a 10% cap will not be considered. In order to receive consideration for a price increase, the Contractor must submit to The Howard County Public School System, sixty (60) days prior to the contract expiration date, a statement of any change in the hourly rate wage actually to be paid to its employees during the renewal term. Adjustments will be calculated by comparing the current index with the previous year's index so as to determine the change in index points. The point change will then be divided by the price index to obtain the percentage of change. The percentage of change will then be multiplied by .75 to obtain the adjustment to be applied to the current prices.

The Howard County Public School System will also consider adjustments based on fees outside of the control of the Contractor, such as manufacturer price increases. However, such increases will be a "pass through" to the Howard County Public School System with no mark up allowed. For such changes to be

considered by the Howard County Public School System, documentation from the manufacturer (or any other applicable party) assessing a cost increase must accompany a written request from the Contractor. The Howard County Public School System will then review the request and advise the Contractor of approval or disapproval of the price change request. Price increase requests will not be considered if not accompanied with the proper information.

KK. CONTRACTOR PERFORMANCE/EVALUATION SCORECARD

Upon completion of a project/service or at any time during the project/service, the awarded contractor shall receive a performance evaluation scorecard rating the contractor's performance on the project/service, see Appendix A. The evaluation scorecard will become part of the contractor's permanent file. A sample Contractor Performance/Evaluation Scorecard is included with the bid documents.

A contractor receiving a 70% or less overall evaluation scorecard rating for a project/service may be disqualified for bidding on any future project/service with the HCPSS for a period of three (3) years and/or for the remaining contract term including renewal options.

- Q. **Governing Law:** This agreement shall be governed by and construed in accordance with the laws of Maryland, excluding its choice of law rules. Any action or proceeding seeking any relief under or with respect to this Agreement shall be brought solely in the appropriate Maryland Court. VENDOR will comply with Maryland Education Code ANN. § 4-131, "Operators of School Internet Web sites, Online Services, Online Applications, and Mobile Applications." VENDOR agrees to be bound as an "operator" under the law regardless of the VENDOR's exemptions that may exist in Maryland Education Code ANN. § 4-131(a)(3).

- S. **Indemnification:** VENDOR agrees to indemnify and hold harmless the Board of Education of Howard County for any damages or costs, including reasonable attorney's fees, which arise out of any negligence or misconduct by VENDOR, its agents and employees concerning its FERPA obligations under this section.
  
- T. **Limitation of Liability:** VENDOR shall be liable for any and all damages, costs and attorneys' fees which CLIENT may incur as a result of any claims, suits and judgments against CLIENT which arise out of any negligence or misconduct of the VENDOR, its employees, servants, representatives or agents under the term of this Agreement.

## APPENDIX C

### INSURANCE REQUIREMENTS

#### 1 - General Insurance Requirements:

1.1 - The Contractor shall not commence Work until he has obtained at his own expense all of the insurance as required hereunder and such insurance has been approved by the Board of Education of Howard County Maryland; nor shall the Contractor allow any Subcontractor to commence Work on his subcontract until all similar insurance required of the Subcontractor has been so obtained and approved by the Contractor. Approval of insurance required of the Contractor will be granted only after submission to the Board of Education of Howard County Maryland of original, signed certificates of insurance or, alternately, at the Board of Education of Howard County Maryland's request, certified copies of the required insurance policies.

1.2 - The Contractor shall require all Subcontractors to maintain during the term of this agreement, commercial general liability insurance, business automobile liability insurance, and Workers' Compensation and employers' liability insurance, in the same manner as specified for the Contractor. The Contractor shall furnish Subcontractors' certificates of insurance to the Board of Education of Howard County Maryland immediately upon request.

1.3 - All insurance required hereunder shall include the following provision: "It is agreed that this policy is not subject to cancellation, non-renewal, material change, or reduction in coverage until sixty (60) days prior written notice has been given to the Board of Education of Howard County Maryland."

The phrases "endeavor to" and "... but failure to mail such notice shall impose no obligation or liability of any kind upon the company, its agents or representatives" are to be eliminated from the cancellation provision of standard ACORD certificates of insurance.

1.4 - No acceptance and/or approval of any insurance by the Board of Education of Howard County Maryland shall be construed as relieving or excusing the Contractor, or the Surety, or his bonds, from any liability or obligation imposed upon either or both of them by the provisions of the Contract Documents.

1.5 - The Board of Education of Howard County Maryland and its elected or appointed officials, agents and employees are to be named as an additional insured under all coverages except Workers compensation and business automobile liability, and the certificate of insurance, or the certified policy, if requested, must so state this. Coverage afforded under this paragraph shall be primary as respects the Board of Education of Howard County Maryland, its agents and employees.

1.6 - The Contractor shall be responsible for the Work performed under the Contract Documents and every part thereof, and for all materials, tools, equipment, appliances, and property of any and all description used in connection with the Work. The Contractor assumes all risk for direct and indirect damage or injury to the property or persons used or employed on or in connection with the Work contracted for, and of all damage or injury to any person or property wherever located, resulting from the action, omission, commission or operation under the contract, or in connection in any way whatsoever with the contracted Work, until final acceptance of the Work by the Board of Education of Howard County Maryland.

1.7 - Insurance coverage required in these specifications shall be in force throughout the contract term. Should the Contractor fail to provide acceptable evidence of current insurance within seven days of written notice at any time during the contract term, the Board of Education of Howard County Maryland shall have the absolute right to terminate the contract without any further obligation to the Contractor, and the Contractor shall be liable to the Board of Education of Howard County Maryland for the entire additional cost of procuring performance and the cost of performing the incomplete portion of the contract at time of termination.

1.8 - Contractual and other liability insurance provided under this contract shall not contain a supervision, inspection or engineering services exclusion that would preclude the Board of Education of Howard County

Maryland from supervising or inspecting the project as to the end result. The Contractor shall assume all on-the-job responsibilities as to the control of persons directly employed by it and of the Subcontractors and any persons employed by the Subcontractor.

1.9 - Nothing contained in the specifications shall be construed as creating any contractual relationship between any Subcontractor and the Board of Education of Howard County Maryland. The Contractor shall be fully responsible to the Board of Education of Howard County Maryland for the acts and omissions of the Subcontractors and of persons employed by them as it is for acts and omissions of persons directly employed by it.

1.10 - Precaution shall be exercised by the Contractor at all times for the protection of persons, (including employees) and property. All existing structures, utilities, roads, services, trees and shrubbery shall be protected against damage or interruption of service at all times by the Contractor and its Subcontractors during the term of the contract, and the Contractor shall be held responsible for any damage to property occurring by reason of its operation on the property.

1.11 - If the Contractor does not meet the insurance requirements of the specifications, alternate insurance coverage, satisfactory to the Board of Education of Howard County Maryland, may be considered. Written requests for consideration of alternate coverages must be received by the Board of Education of Howard County Maryland at least ten Working days prior to the date set for receipt of bids or proposals. If the Board of Education of Howard County Maryland denies the request for alternate coverages, the specified coverages will be required to be submitted.

1.12 - All required insurance coverages must be acquired from insurers allowed to do business in the State of Maryland and acceptable to the Board of Education of Howard County Maryland. The insurers must also have a policyholders' rating of "A-" or better, and a financial size of "Class VII" or better in the latest edition of Best's Insurance Reports, unless the Board of Education of Howard County Maryland grants specific approval for an exception.

1.13 - The Board of Education of Howard County Maryland will consider any deductible amounts as part of its review of the financial stability the Contractor. Any deductibles shall be disclosed by the Contractor, and deductible amounts are the responsibility of the Contractor.

## **2 - Contractor's Liability Insurance - "Occurrence" Basis:**

2.1 - The Contractor shall purchase the following insurance coverages:

2.1.1 - Commercial general liability with a minimum limit of \$1,000,000 per occurrence, \$1,000,000 annual aggregate including all of the following:

- vii. Explosion, collapse, or underground (XCU) hazards (confirmation of underground hazard coverage must be confirmed by either certificate of insurance or in writing by Contractor's agent, broker or insurer);

2.1.2 - Business automobile liability including coverage for any owned, hired, or non-owned motor vehicles and automobile contractual liability with a limit of \$1,000,000 per accident; uninsured motorist coverage at minimum statutory limits.

2.1.3 - Workers compensation with statutory benefits as required by Maryland law or the U. S. Longshoremen's and Harbor Workers' Compensation Act, or other laws as required by labor union agreements, including standard other states coverage; employers' liability coverage with limits of \$100,000 per accident, \$100,000 per employee for disease, and a \$500,000 disease policy limit.

2.1.4 - Total limit requirements of 2.1.1, 2.1.2 and 2.1.3 may be met by a combination of primary and umbrella excess liability coverage.

### **3 - Commercial General or Other Required Liability Insurance - "Claims Made" Basis**

3.1 - If commercial general or other liability insurance purchased by the Contractor has been issued on a "claims made" basis, the Contractor must comply with the following additional conditions:

- i. Agree to provide certificates of insurance evidencing the above coverages for a period of two years after final payment for the contract. Such certificates shall evidence a retroactive date, no later than the beginning of the Contractors' or Subcontractors' Work under this contract, or
- ii. Purchase an extended (minimum two years) reporting period endorsement for the policy or policies in force during the term of this contract and evidence the purchase of this extended reporting period endorsement by means of a certificate of insurance or a copy of the endorsement itself.

APPENDIX G  
STATE OF MARYLAND  
CHILD SEXUAL ABUSE AND SEXUAL MISCONDUCT RELEASE  
Pursuant to Section 6-113.2 of the Education Article, Annotated Code of Maryland

### Contractor Information

Prior to officially offering employment to an applicant, the State of Maryland requires the local school board, nonpublic schools, or contractors to gather additional background information from an applicant's current/former employers in reference to child sex abuse or sexual misconduct investigations. In accordance with the law, each applicant must answer background questions and provide contact information for each place of employment in their work history.

The following steps will be required to successfully complete the process:

1. Determine how many past employers the applicant has worked for since he/she was 18.
2. The applicant must complete a Release Form {provided by MSDE} for each current/former employer.
3. The contractor must send this form directly to the current/previous employers.
4. The current/former employer has 20 days to respond with completed forms back to the contractor.
5. Once all forms are successfully completed and include favorable answers, contact the Office of Investigations with candidates who are eligible for hire.
  - a. The names of each candidate must be provided in writing (via email to the Howard County Public School System designee).
6. The contractor must keep these forms on file for each employee hired on or after 7/1/19.

Howard County Public School System will not hire anyone (permanent, temporary, or contractual) on or after 7/1/19 that has not completed the child sex abuse/sexual misconduct background check. This process must be completed for each new applicant.

MSDE has provided some guidance. Attached, is a list of common questions and answers, as well as SB541. The official Release Form has not been provided by MSDE yet. We will notify you when the form is available or you can periodically check [www.marylandpublicschools.org](http://www.marylandpublicschools.org) for updates.

MSDE Guidance for Md. Code, Educ. 6-113.2 (House Bill 486- Child Sexual Abuse and Sexual Misconduct Prevention)

The Maryland State Department of Education (MSDE) offers this guidance to assist public and nonpublic schools and contracting agencies with implementing the provisions of Md. Code, Educ. 6-113.2. The guidance does not include all of the statute's requirements, nor does it constitute legal advice. Schools and contracting agencies should consult with their legal counsel in addressing the requirements of the statute.

GENERAL INFORMATION

1. What employers are covered by the law?

A local board of education, nonpublic school, or contracting agency (defined as an entity that contracts with a county board or nonpublic school to provide a service to a school or the students of a school).

2. When does the law take effect?

July 1, 2019. Anyone who is an "applicant" for a position on or after July 1, 2019 is covered by the law. Employers do not need to follow the law's provisions for individuals who applied to positions prior to July 1, 2019.

3. What does the law require of employers and applicants for employment?

The law requires a county board, nonpublic school, or contracting agency to require an applicant for a position involving direct contact with minors to submit:

- 1) The contact information of the current employer, all former school employers, and all former employers of the applicant in which the applicant was employed in a position involving direct contact with minors;
- 2) A written consent form authorizing a current or former employer to release all records relating to child sexual abuse or sexual misconduct involving the applicant; and
- 3) A written statement of whether the applicant has:
  - a) been the subject of a child sexual abuse or sexual misconduct investigation by any employer, arbitrator, county board, state licensing agency, law enforcement agency, or child protective services agency (unless certain exceptions, detailed in the law, are met)
  - b) been disciplined, discharged, non-renewed, or asked to resign from an employer, or has ever resigned or otherwise separated from employment while allegations of child sexual abuse or sexual misconduct were pending or were under investigation, or due to an adjudication or findings of child sexual abuse or sexual misconduct;
  - c) ever had a license or certificate suspended, surrendered, or revoked while allegations of child sexual abuse or sexual misconduct were pending or under investigation or due to an adjudication or findings of child sexual abuse or sexual misconduct.

4. What does the law require of prospective employers?

The law requires that a county board, nonpublic school, or contracting agency shall:

- 1) Review an applicant's employment history by contacting the current employer, all former school employers, and all former employers in which the applicant had direct contract with minors to request dates of employment and answers to the questions posed to applicants in question #3 (above).
- 2) Request a report from the MSDE regarding whether the applicant holds an active and valid certificate and has ever been the subject of professional discipline related to child sexual abuse or sexual misconduct.

5. What does the law require of current and former employers?

Within 20 days of receiving a request from a prospective employer, a current or former employer shall send the information required in question #3 (above) using a form approved by the MSDE. A current or former employer may also be required to produce additional information on an applicant (see #9 below).

6. Where can I find the employment history review form approved for use by the MSDE?

A copy of the form is attached to this guidance or can be found online at [www.marylandpublicschools.org](http://www.marylandpublicschools.org).

7. When must a prospective employer request the background information?

The law requires that a prospective employer review the applicant's employment history before hiring an applicant. See #20 for guidance on hiring an employee if a current or former employer has not responded to the request for information.

8. Does a current or former employer ever have to provide more information than what is required on the form?

Yes. If a prospective employer decides to further consider an applicant for employment after learning that a current or former employer has provided an affirmative response to one of the questions listed in #3, the prospective employer shall request additional information, including all records related to child sexual abuse or sexual misconduct. The current or former employer must provide this additional information within 60 days to both the prospective employer and the applicant.

9. Can an employer request more information from an applicant than is required under the law?

Yes. The law does not restrict a school or contracting agency from conducting further investigations of prospective employees or requesting applicants to provide additional background information.

10. Do the background information review requirements apply to current employees?

The requirements apply only to applicants for positions. Employers are not required to request background information on current employees. The law is silent on whether current employees who apply for new positions with the same employer where they would have direct contact with minors (thus becoming 'applicants' for a position) must complete the background information review. The MSDE encourages employers to apply the background information review requirements to all applicants for positions.

11. If an employer has already completed a background information review on an employee, must the employer request that same information if the employee becomes an applicant for a new position?

No. If a background information review has already been completed for all previous employers, there is no need to conduct a new one.

12. Must all former employers be contacted for background information?

The bill does not have a time limit on how far back in an employee's history one must go to retrieve background information. The MSDE recommends contacting all current employers, former school system employers, and former employers supplied by the applicant where an applicant had direct contact with minors.

13. What if a former employer is no longer in business?

A prospective employer should document all attempts to reach the former employer. If the former employer is out of business and no records are available, the prospective employer should document this information in the employee's personnel file.

14. Information does not have to be reported if a law enforcement agency found that the allegations were "unfounded." What does that mean?

Because law enforcement does not necessarily announce that allegations are "unfounded/" prospective employers can consider the closing of an investigation to be the equivalent to "unfounded" charges.

15. Information does not have to be reported if a child protective services agency "ruled out" the allegations. What if the agency screens them out without an investigation?

This may be considered the equivalent of "ruled out" for purposes of the law.

16. How does a prospective employer receive information about an employee's "eligibility for employment or certification status" from the MSDE?

The law requires the MSDE to indicate whether an applicant "holds a valid and active certification appropriate for the position and is otherwise eligible for employment." The MSDE has information on whether an individual is certified in Maryland and in what areas, and whether there has ever been disciplinary action on a certificate, such as a suspension or revocation. It is ultimately up to the

individual employer to determine whether to hire an employee based on the certification information provided by the MSDE.

For local school systems, the MSDE will make this information available through the Education Information System (EIS). Access can be granted under certain conditions, to trained local school system staff. Nonpublic schools and contracting agencies may contact the MSDE directly to obtain this information for applicants. If an applicant has never held a certificate, the MSDE will indicate that information in its response. A form requesting this information is available on the MSDE website at [www.marylandpublicschools.org](http://www.marylandpublicschools.org).

17. What must a prospective employer do if a current or former employer does not return the background information form? Can a prospective employer still hire the employee?

The law does not prohibit hiring an employee solely because a current or former employer has failed to report the background information requested. The prospective employer must, however, document each attempt to contact the current or former employer. MSDE recommends using multiple methods, if available, including regular mail, e-mail, phone, or fax, in an attempt to reach the employer. If, after three documented attempts, the current or former employer still has not responded, the prospective employer may hire the employee, but should note what information is missing from the employee's background. The prospective employer must also report the violation of the law to the MSDE for further action.

18. May a prospective employer begin training an employee prior to receiving the answers to the background information review?

Yes, but an applicant may not be hired until the prospective employer has either received answers to the questions from all current/former employers covered by the law or completed the process described in #17.

19. Are the employment history reviews required under this law considered to be public records?

No. "Information and records about an applicant received by a county board, nonpublic school, or contracting agency" under Md. Code, Educ. 6-113.2 are not a public record for purposes of the Maryland Public Information Act (PIA).

20. Can a former employer be held liable for disclosing information as part of an employment history review?

No. A person acting in good faith may not be held liable for disclosing any information or records related to child sexual abuse or sexual misconduct about a current or former employee unless the person acts with actual malice or intentionally or recklessly disclosed false information. This immunity is in addition to any other immunities provided by law.

21. Can a prospective employer use digital signatures or digital forms to comply with the law?

Yes. The MSDE is in the process of developing guidance for best practices involving digital signatures. Any system should be a secure and reliable form of receiving the background review information.

22. Can a prospective employer charge an applicant for processing the background review forms?

The law is silent in this regard and the MSDE has no position. It is up to individual employers to decide whether to charge a fee with the application.

23. Can a prospective employer require an applicant to forward the forms to current and former employers?

While a prospective employer may have an applicant forward the background information review forms to current or former employers, the responses to the form should go directly to the prospective employer. Prospective employers should not accept completed forms from an applicant on behalf of current or former employers.

#### NONPUBLIC SCHOOLS

24. What types of nonpublic schools must comply with the law?

The law applies to all types of nonpublic schools in Maryland. The law does not distinguish between nonpublic schools that are MSDE-approved and those that are not.

#### CONTRACTING AGENCIES AND SUBSTITUTES

25. Does the law apply to substitutes?

Yes. The law requires an employment history review of applicants for substitute positions involving direct contact with minors before the initial hiring of the substitute employee or placement on an approved substitute employee list. The completion of an employment history review in one county does not relieve another county of also conducting an employment history review of a substitute. A contracting agency may perform the employment history review for a substitute employee and its review may be used by all prospective employers of a substitute.

26. When does a contracting agency have to conduct an employment history review?

A contracting agency shall conduct an employment history review at the time of initial hiring of the employee or before the employee is assigned to work for a school entity in a position involving direct contact with minors.

27. How long is an employment history review conducted by a contracting agency valid?

As long as the employee continues to be employed by the hiring contracting agency.

28. Must a contracting agency keep records in connection with the employment history review?

Yes, a contracting agency must maintain a record of each employee's employment history review and, on request of the school entity to which an employee is assigned, provide access to the contracting agency's records of that employee.

29. Must a contracting agency inform a school entity of affirmative responses to questions posed in the employment history review?

Yes. Before assigning any employee to work in a school entity in a position involving direct contact with minors, a contracting agency shall provide notice to the school entity of any affirmative responses.

30. Can a school object to a contracting agency placing a specific employee at the school?

Yes. The contracting agency must provide information about whether the employee has any history of child sexual abuse or sexual misconduct as discovered in the employment history review. Based on that information, a school may object to the assignment of a particular employee in a position involving direct contact with minors.

#### FAILURE TO COMPLY WITH THE LAW

31. What happens to an applicant who provides false information related to child sexual abuse or sexual misconduct?

The individual may face professional discipline in the form of termination or denial of employment and may also face suspension, revocation, or denial of a professional license issued by the MSDE. The MSDE is in the process of developing regulations related to this provision.

32. What happens to a current or former employer who does not provide the information and records required under the law?

The current or former employer may face civil penalties or professional discipline for willful violations of the law's requirements. The MSDE is in the process of developing regulations to address this provision. A current or former employer shall not be held liable for failing to respond if the laws of the State in which the employer is located prohibit the release of that information or disclosure is prohibited by a contract entered into on or before June 30, 2019. The MSDE plans to initially send warning letters to current and former employers who are not complying with the law to make them aware of the law's requirements.

33. What should a prospective employer do if it learns that an applicant has provided false information or encounters a current or former employer that refuses to respond to the background information form?

The violation of the law should be reported to the MSDE along with all relevant documents or other information.

34. What if an employer becomes aware that an employee provided false information after the employee has been hired or learns of pre-employment allegations of child abuse or sexual misconduct after hire?

The employer may make any employment offer contingent on the results of the background information review and/or take whatever employment action it deems necessary. In addition, false information provided by an applicant or employee should be reported to the MSDE.

### B. SCREENING APPLICANTS FOR EMPLOYMENT UNDER A HOWARD COUNTY PUBLIC SCHOOL SYSTEM (HCPSS) CONTRACT

Effective July 1, 2019, Maryland Law requires contractors to screen all applicants for a position involving direct contact with minors as defined in Section 6-113.2 of the Education Article, Maryland Annotated Code (“statute”).

Screening requires the applicant to submit to the contractor the following:

2. Written consent form signed by applicant to release all records relating to child sexual abuse or sexual misconduct.
3. A written statement of whether the applicant:

  - Has ever been disciplined, discharged, non-renewed, or asked to resign from employment, or has ever resigned from, or otherwise separated from, any employment while allegations of child sexual abuse or sexual misconduct were pending or were under investigation, or due to an adjudication or findings of child sexual abuse or sexual misconduct; or
  - Has ever had a license, professional license, or certificate suspended, surrendered, or revoked while allegations of child sexual abuse or sexual misconduct were pending or under investigation, or due to an adjudication or findings of child sexual abuse or sexual misconduct.

Before hiring an applicant for a position involving direct contact with minors, the Contractor shall:

1. Review an applicant’s employment history by contacting employers listed by the applicant and requesting dates of employment and answers to questions regarding child sexual abuse or sexual misconduct required by the statute; and

2. Request a report from the Maryland State Department of Education regarding the applicant's eligibility for employment or certification status to determine whether the applicant a) holds a valid and active certification appropriate for the position and is otherwise eligible for employment; and b) has been the subject of professional discipline related to child sexual abuse or sexual misconduct.

If the information from an applicant's employer includes an affirmative response to the child sexual abuse or sexual misconduct questions, and the Contractor wants to further consider the applicant for employment, the Contractor shall request additional information from the employer including records related to the child sexual abuse or sexual misconduct.

Contractor shall conduct the employment history review of the applicant: 1) at the time of initial hiring of the employee; or 2) before the employee is assigned to work for a school entity in a position involving direct contact with minors.

Contractor shall maintain a record of each employee's employment history review required by the statute; and provide to HCPSS access to the employee's records upon request.

Before assigning an employee to perform work for HCPSS in a position involving direct contact with minors, Contractor shall provide notice to HCPSS of any affirmative responses to the child sexual abuse or sexual misconduct questions required by the statute.

Contractor may not assign an employee to perform work for HCPSS in a position involving direct contact with minors if HCPSS objects to the assignment after receiving notice required by the statute.

Notwithstanding any other remedies available under the Contract, Contractor may be subject to disciplinary action by the Maryland State Department of Education for willful violations of the statute.

I FURTHER AFFIRM THAT:

I am aware of, and the above business will comply with, the requirements of Section 6-113.2 of the Education Article, Annotated Code of Maryland.
