The indemnification obligation of the successful Contractor shall include, but shall not be limited to injuries to individuals and property of individuals who are not parties to the contract. In addition the indemnification obligation of the successful Contractor shall cover the acts or omissions of any subcontractors hired by the successful Contractor. Furthermore, the indemnification obligation of the successful Contractor shall survive termination of the contract for any reason.

 - a) General Terms and Conditions
 - b) Special Terms and Conditions (if any)
 - c) The Specifications

E. TERMINATION DUE TO FUNDING

1. The contractual obligation of the Board of Education under any resulting contract is contingent upon the availability of appropriated funds.

F. TERMINATION FOR DEFAULT

1. When the contractor has not performed or has unsatisfactorily performed the contract, payment shall be withheld at the discretion of The Howard County Public School System. Failure on the part of the contractor to fulfill contractual obligations shall be considered just cause for termination of the contract and the contractor is not entitled to recover any costs incurred by the contractor up to the date of termination. Notification shall be in writing and shall be issued 30 days prior to termination date. In the event of default of contract The Howard County Public School System may procure services from other sources. The contractor found in default will be held responsible for all costs incurred.

G. TERMINATION FOR CONVENIENCE

1. The Howard County Public School System may terminate this contract, in whole or in part, without showing just cause upon giving written notice to the contractor. The Howard County Public School System shall pay all reasonable costs associated with termination of the contract. However, the contractor shall not be reimbursed for any anticipatory profits which have not been earned up to the date of termination.

H. REJECTIONS AND CANCELATIONS OF BIDS

1. HCPSS reserves the right to accept or reject any or all bids in whole or in part for any reason. HCPSS further reserves the right to waive any informality and to make awards in the best interest of the School System. HCPSS also reserves the right to reject the bid of any bidders who has previously failed to perform adequately on a prior award for furnishing goods and/or services similar in nature Page 10 to those requested in this solicitation. HCPSS may cancel this solicitation in whole or in part, at its sole discretion.

I. DEBARMENT STATUS

1. By submitting their proposal, the bidder(s), certify that they are not currently debarred by the State of Maryland or another governmental entity from submitting bids or proposals on contracts for the type of products or services covered by this solicitation, nor are they an agent of any person or entity that is currently so debarred.

J. BRAND NAME OR EQUAL SUBSTITUTIONS

1. Where a particular manufacturer's brands or models are referenced, it is to be interpreted as being descriptive and not restrictive. Bids will be considered on models or brands or products of manufacturers other than those cited if accompanied by catalogs, test reports, brochures, or other descriptive literature and supporting data, sufficient in detail to permit evaluation of the item offered without further reference. It is the responsibility of the Bidder to provide the foregoing with the bid or prior to the time and date set forth for return of the bid.
2. When only one manufacturer or model is referenced, the absence of anything to the contrary will be interpreted as a bid on the exact item specified.
3. Where several manufacturers of models are referenced as being equally acceptable and the Bidder does not indicate what particular model or brand he is

bidding on, the Purchasing Office shall have the right to select the brand or model referenced.

K. PRICE

1. Prices shall be all inclusive and shall include all cost of every kind such as, but not limited to delivery and training costs to The Howard County Public School System.

L. MULTIPLE PRICES

1. Regardless of the availability of several items that perform the same function as the item(s) described in the solicitation, the Bidder must decide which item to offer and submit one price only.

M. PRICE ADJUSTMENTS

1. The Howard County Public School System will only consider adjustments on labor rates based only upon federal minimum wage increases and decreases in the Consumer Price Index (CPI-W), Baltimore Region, as published by the Bureau of Labor Standards. Requested increases above a 10% cap will not be considered. In order to receive consideration for a price increase, the contractor must submit to The Howard County Public School System, sixty (60) days prior to the contract expiration date, a statement of any change in the hourly rate wage actually to be paid to its employees during the renewal term. Adjustments will be calculated by comparing the current index with the previous year's index so as to determine the change in index points. The point change will then be divided by the price index to obtain the percentage of change. The percentage of change will then be multiplied by .75 to obtain the adjustment to be applied to the current prices.
2. The Howard County Public School System will also consider adjustments based on fees outside of the control of the contractor, such as manufacturer price increases. However, such increases will be a "pass through" to the Howard County Public School System with no mark-up allowed. For such changes to be considered by the Howard County Public School System, documentation from the manufacturer (or any other applicable party) assessing a cost increase must accompany a written request from the contractor.
3. The Howard County Public School System will then review the request and advise the contractor of approval or disapproval of the price change request.
4. Price increase requests will not be considered if not accompanied with the proper information.

N. LIQUIDATED DAMAGES

1. Liquidated damages shall be assessed at the rate of five hundred dollars (**\$500.00**) per calendar day beyond the completion date indicated in the scope of work for each project and/or listed on the purchase order for work not 100% complete.
2. The contractor agrees that the sum specified for liquidated damages for delay by the contractor is not a penalty and is liquidated damages, that the damages resulting to the owner for delay in completion by the contractor are difficult of ascertainment and that the amount specified is not grossly excessive and it is not out of proportion to the damages that might readily be expected to result from delay caused by the contractor. Excluded from the liquidated damage provision, however, are any damages for loss of use of any facility of the owner that arises from a delay and the owner expressly reserves the right to claim damages for such loss of use. The contractor agrees that it has freely bid on this contract with the full and complete knowledge of the provisions for liquidated damages and waives all objections to such provisions as a penalty.

3. In addition, the owner shall assess and deduct from the contract sum any and all extra costs associated with maintaining the project (e.g. engineering fees, owner's overtime, etc.) for each calendar day of delay that the contractor extends substantial completion of the entire work beyond the completion date or time stipulated in the contract documents.
 4. Any delays to projects must be communicated to the Contract Manager immediately.
- O. TAXES
1. The Howard County Public School System is tax exempt, and the price quoted shall not include federal excise taxes, state or local taxes, or use taxes.
 2. The bidder is responsible for all taxes, including but not limited to sales and use taxes on the purchase of the bidder's equipment and materials, or any equipment and materials supplied to the Board of Education on the project.
- P. BILLING AND PAYMENT
1. The contractor shall submit invoices to the Howard County Department of Education, (Name of Department), 10910 Clarksville Pike, Ellicott City, MD 21042, Attn: (Name of Contact), at the completion of each job. Invoices must contain the following information:
 - a) Purchase Order Number
 - b) Name of school
 - c) Description of work along with quantities
 - d) Start date and completion date
 - e) Copies of invoices for project supplies and equipment
 - f) Itemized breakdown of project costs to include labor and materials.
 - g) Total due
- Q. BILLING VERIFICATION
1. Invoices showing Contractor's purchase price, may be requested to verify charges to The Howard County Public School System.
 2. All costs shall reflect any rebates and/or marketing incentives paid back to the Contractor.
 3. The Howard County Public School System retains the right to verify the Contractor's buy and sell data to confirm the Contractor's sell price to the school system. The Contractor shall supply, upon request, access to any and all verifications of Contractor costs, freight charges, promotional allowances, sell prices, and percentage mark ups as they relate to this contract. If it is determined that Contractor has overcharged the school system, the Contractor shall be liable for all retroactive overcharges.
- R. FUNDING
1. The contractual obligation of the Board of Education under any resulting contract is contingent upon the availability of appropriated funds.
- S. ORDERS
1. Orders shall be in the form of an official Howard County Public School System Purchase Order. No deliveries are to be made under any contract(s) resulting from this bid without a purchase order.
- T. PROCUREMENT CARD

1. The Howard County Public School System utilizes a Purchasing Card Program. Purchases resulting from this solicitation may be made through a Visa/Mastercard credit card.
2. Bidders are prohibited from charging any additional costs/fees above and beyond the established contract prices to process such orders. Bidders lacking Visa/Mastercard capability should contact the Purchasing Office.

W. ASSIGNMENTS

1. The contractor may not assign or transfer this contract, any interest herein or any claim hereunder, except as expressly authorized in writing by the Howard County Public School System. Unless the performance is expressly waived in writing by the Howard County Public School System, an assignment does not release the contractor from responsibility for performance of this contract. Assignment or subcontracting without the written approval of the Howard County Public School System will be cause for termination.

X. SUBCONTRACTORS/SUBCONSULTANTS

1. Subcontractors may not be employed to perform any work under any resulting contract(s) unless specifically approved by the Contract Manager.
2. Nothing contained in these contract documents shall create any contractual relation between any subcontractor and the Howard County Public School System.

Approval of insurance required of the Contractor will be granted only after submission to the Board of Education of Howard County Maryland of original, signed certificates of insurance or, alternately, at the Board of Education of Howard County Maryland's request, certified copies of the required insurance policies.

1.2 - The Contractor shall require all Subcontractors to maintain during the term of this agreement, commercial general liability insurance, business automobile liability insurance, and Workers' Compensation and employers' liability insurance, in the same manner as specified for the Contractor. 1.4 - No acceptance and/or approval of any insurance by the Board of Education of Howard County Maryland shall be construed as relieving or excusing the Contractor, or the Surety, or his bonds, from any liability or obligation imposed upon either or both of them by the provisions of the Contract Documents.

1.5 - The Board of Education of Howard County Maryland and its elected or appointed officials, agents and employees are to be named as an additional insured under all coverages except Workers compensation and business automobile liability, and the certificate of insurance, or the certified policy, if requested, must so state this.
