Section I: GENERAL INFORMATION

1.1. PURPOSE

The Board of Education of Howard County on behalf of Howard County Public School System (HCPSS) issued this Request for Proposal (RFP) to solicit proposals from qualified vendors, for a qualified firm of certified public accountants that will audit financial statements for the fiscal year ending June 30, which are prepared in accordance with the statements issued by the Governmental Accounting Standards Board. These audits are to be performed in accordance with generally accepted auditing standards promulgated by the American Institute of Certified Public Accountants (AICPA), the AICPA Audit and Accounting Guide – State and Local Governments, and all federal and state audit regulations that pertain to HCPSS, including but not limited to (1) Maryland State Board of Education Standards and Regulations for Audits of Local Boards of Education, (2) The Maryland Public School Laws, (3) Federal Office of Management and Budget (OMB) Compliance Supplement, and (4) the Government Finance Officers Association (GFOA) “Blue Book,” Governmental Accounting, Auditing and Financial Reporting (GAAFR). Additionally, the report presentation should conform to requirements necessary to obtain the Association of School Business Officials International (ASBO) and Government Finance Officers Association (GFOA) Certificate of Excellence in Financial Reporting.

The firm of certified public accountants will also conduct an audit of the Glenelg Wastewater Treatment Plant (A Special Revenue Fund of the HCPSS) in accordance with the statements issued by the Governmental Accounting Standards Board. These audits are to be performed in accordance with generally accepted auditing standards.

In conjunction with the above audit of the Glenelg Wastewater Treatment Plant, the firm of certified public accountants will perform and report on Agreed-Upon Procedures for the Glenelg Wastewater Treatment Plant (A Special Revenue Fund of HCPSS) to assist HCPSS in meeting the requirements of the "Declaration of Easements, Covenants, and Restrictions" agreement related to the Glenelg Wastewater Treatment Plant.

In addition, the firm of certified public accountants shall conduct a single audit of restricted funds. This audit is to be performed in accordance with generally accepted auditing standards, the standards set forth for financial audits in the General Accounting Office's (GAO) most current Government Auditing Standards the provisions of the federal Single Audit Act of 1984 and the Single Audit Act Amendments of 1996, and the provisions of U.S. Office of Management and Budget (OMB) Circular A-133, Audits of States Local Governments and Non-Profit Organizations. The firm will also be responsible for filing the electronic report with the Federal Audit Clearinghouse.

TIMING OF AUDIT

All audit work required to express an opinion on the HCPSS's financial statements must be completed by September 25 following the fiscal year end in order that HCPSS may deliver its audited financial statements to the Maryland State Department of Education by September 30. This timing is essential in order for HCPSS to meet the requirements of Maryland state law.

To meet the foregoing timing requirements, the contractor should plan to perform such interim work as necessary before the fiscal year end. HCPSS will make every reasonable effort to complete its year-end closing and to prepare and deliver draft financial statements to the contractor in a timely fashion. Further, the HCPSS has transitioned its operations to a cloud infrastructure, with personnel working remotely. The contractor, therefore, can be provided electronic copies of requests as well as read-only access to many of the HCPSS's systems and should plan to perform the majority of the audit remotely.

COORDINATION OF AUDIT WORK

Proper coordination of audit work and reporting will require an understanding of the roles and responsibilities of the various levels of authority within the HCPSS. In this connection, the Board of Education is the contracting party and all audit reports and other official communications regarding the audit engagement should be directed by the contractor to the Board.

The Board of Education Office has been designated by the Board and the superintendent of schools as principal coordinator for the annual audits, and all reports and other communications with the Board regarding the audit engagement should be routed through the Board Office.

The Board of Education has an audit committee which may, from time to time, wish to meet virtually or in-person with the contractor for a briefing on audit plans, results, and findings. The contractor will be expected to accommodate any such requests made by either the Board as a whole or the fiscal management committee. In the past, such requests have been made only once or twice a year.

Primary responsibility for preparation of the financial statements of the HCPSS is vested with the Chief Administrative Officer. Both before and during the time of audit, the contractor will be expected to deal with this official as necessary for administrative support, including arranging for logistics, preparation of detailed transaction listings, assembly of documentation, etc.

Before commencing the annual audit or during the audit period as appropriate, the contractor should plan to meet with the CAO and/or his staff to discuss logistics with regards to conducting the audit remotely, to reserve office space as needed, and to reach agreement on such matters as (1) basis for progress payments, (2) any proposed changes in delivery dates or audit results, (3) arrangements for briefings of the Board, audit committee, or other HCPSS officials on audit progress and results, and (4) coordination of internal audit and contract audit work.

DELIVERY OF AUDIT RESULTS

Delivery dates following the end of the fiscal year under audit will be required for the major audit segments as follows:

- a. September 25 – Opinion on the financial statements comprising the Comprehensive Annual Financial Report, Report on Internal Control, and Management Letter
- b. November 15 – Draft reports and opinions required by Federal OMB Compliance Supplement
- c. December 15 – Final reports and opinions required by Federal OMB Compliance Supplement

Deliveries of all documents relating to audit results will be made in Portable Document Format (PDF) for the following items:

Item

- a. Opinion on financial statements
- b. Report on Internal Control
- c. Draft reports and opinion per OMB Compliance Supplement
- d. Final reports and opinions, per OMB Compliance Supplement
- e. Management letter

The decision of HCPSS shall be administratively final. HCPSS reserves the right to negotiate a contract amendment with the Offeror for additional services that may be required.

1.12. REJECTION/CANCELLATION OF RFP

This solicitation is subject to cancellation when determined by the Director of Procurement and Materials Management to be in the best interest of HCPSS. Additionally, to ensure fair competition and to permit a determination of the lowest responsive proposal from a responsible offeror, HCPSS may reject proposals that include omissions, alterations of form, or that are conditional or irregular in any respect, or reject non- responsible offerors that show a risk of default.

1.13. PRICE GUARANTEE

The Offeror warrants that the proposal shall be effective for a period of not less than 120 days from the date proposals are due. NOTE: For the successful offeror, prices shall remain firm for the duration of the contract.

1.14. EXCEPTIONS

If an offeror takes any exceptions to the terms and conditions of the RFP, an offeror shall notify HCPSS in writing not later than ten calendar days (Saturdays and Sundays included) before proposals are due. Failure to take exceptions within the timelines indicated shall be construed by HCPSS as full acceptance of the stated terms and conditions. 1.15. REQUIRED DOCUMENTS

The required documents for this RFP include an original, unaltered, executed solicitation document including any addenda issued by HCPSS, completed bid/proposal affidavit, financial statement, completed Qualifications/Experience Affidavit, completed Price Proposal Work Sheet, and any other documents requested. If awarded a contract for these services, the contractor agrees to sign the Standard Contract Agreement for Professional Services (See sample Appendix E) and the Employee Data Sharing Agreement (See Appendix B).

1.17. PROPOSAL WITHDRAWAL

No proposal may be withdrawn after it is submitted to HCPSS unless the Offeror makes a written request to the Procurement Specialist before the time set for receipt of proposals, or if HCPSS fails to award or issue a notice of intent to award, or the Offeror provides clear and convincing evidence that a mistake in the price proposal has been made, *and only then with the approval of the HCPSS Director of Procurement and Materials Management.*

1.18. BUSINESS REGISTRATION

SDAT is located at State Office Building, Room 803, 301 West Preston Street, Baltimore, Maryland 21201. For registration information, visit <https://www.egov.maryland.gov/businessexpress>. It is strongly recommended that any potential Offeror complete registration prior to the Proposal due date and time. The Offeror's failure to complete registration with SDAT may disqualify an otherwise successful Offeror from final consideration and recommendation for Contract award.

1.19. COMPETITIVE SEALED PROPOSAL PROCESS

Offerors shall submit all requirements as set forth in the RFP.

- a. Letter of Transmittal – the offeror shall include a Letter of Transmittal, signed by the person authorized to legally bind the offeror to the proposal. The letter shall be concise and need not repeat any of the detailed information set forth in the proposal.
- b. The HCPSS Procurement Specialist will review each submission. Offerors whose technical offers are determined to be not responsive, or offerors determined to be not responsible shall be rejected and timely notified.

- c. Qualified proposals shall be evaluated by an evaluation committee in accordance with the specifications and evaluation criteria contained herein. Technical proposals classified by the evaluation committee as not responsive, or Offerors determined as not responsible shall be rejected and timely notified.
- d. The evaluation committee, after an initial review of the responses, may elect to conduct discussions for the purpose of ensuring a complete understanding of HCPSS requirements and Offeror's technical proposal.
- e. Upon completion of the evaluation, and discussions, if held, the evaluation committee shall make a recommendation to the Director of Procurement and Materials Management. The said recommendation shall be based on the highest evaluated score considering the evaluation criteria set forth in the RFP. Recommendation of award shall be made to the firm receiving the highest evaluated total score.
- f. When in the best interest of HCPSS, the Procurement Specialist may permit offerors who have submitted acceptable proposals to submit written best and final offers.

- b. If a bidder discovers any ambiguities, conflicts, discrepancies, exclusionary specifications, omissions, or other errors in this RFP, bidder must immediately notify the Purchasing Office. If a bidder fails to so notify the Issuing Office, such bidder submits a response at its own risk and under such conditions. If such bidder is awarded a contract, then it is not entitled to additional compensation, relief, or time by reason of the error or its later correction.
- c. Failure of the offeror to thoroughly understand all aspects of the solicitation before submitting their proposal will not act as an excuse to permit withdrawal of their proposal nor secure relief or plea of error. Neither law nor regulation makes allowances for errors or omissions on the part of the offeror.
- d. HCPSS reserves the right to change the contents of this solicitation. Changes will be made in the form of written addenda and posted to the HCPSS Purchasing web site at, <https://purchasing.hcpss.org/business-opportunities>.
- e. It is the Offeror's sole responsibility to monitor the HCPSS Purchasing website prior to submitting their proposal and acknowledge receipt of said addenda on the proper bid form. In the event that some or all of the services and/or goods under this solicitation are permitted to be subcontracted, the bidder shall identify all proposed subcontractor/sub-consultant who will be furnishing services and/or under the terms of this solicitation. If a firm fails, within a timely manner, to propose another subcontractor/sub-consultant to which HCPSS has no objection, HCPSS reserves the right to reject the proposal. The bidder will use only those subcontractor/sub-consultants approved by HCPSS. All subcontractor/sub-consultants shall comply with all federal and state laws and regulation which are applicable to the services covered by the subcontractor and shall include all terms and conditions set forth herein which apply with equal force to the subcontractor/sub-consultant, as if they were the contractor referred to herein. The Awarded Bidder(s) is responsible for the contract performance, whether or not subcontractor/sub-consultants are used.

2.8 CHANGES, ALTERATIONS OR MODIFICATIONS IN THE SERVICES

HCPSS shall have the right, at their discretion, to change, alter, or modify the services provided for in this agreement and such changes, alterations, or modifications may be made even though it will result in an increase or decrease in the services of the Awarded Bidder(s) or in the contract cost thereof.

If such changes cause an increase or decrease in the Awarded Bidder's cost of, or time required for, performance of any service under this contract, whether or not changed by an order or amendment, an equitable adjustment shall be made and the contract shall be modified in writing accordingly. Any claim of the Awarded Bidder(s) for adjustment under this clause must be asserted in writing within thirty (30) days from the date of receipt by the Awarded Bidder(s) of the notification of change unless the project manager or his duly authorized representative grants a further period of time before the date of final payment under the contract.

No services for which an additional cost or fee will be charged by the Awarded Bidder(s) shall be furnished without prior written authorization of HCPSS.

2.9 DELAYS AND EXTENSIONS OF TIME

The Awarded Bidder(s) shall execute the work continuously and diligently and no charges or claims for damages shall be made by the Awarded Bidder(s) for any delays, acceleration, or hindrance, from any cause whatsoever, during the progress of any portion of the services specified in the contract documents. Any and all time extensions and/or changes/substitutions of products, materials, equipment, and/or supplies must be requested in writing by the Awarded Bidder(s) before the extension and/or change takes place, and must be approved in writing by HCPSS. Such delays, acceleration, or hindrances, if any, may be compensated for by an extension of time for such reasonable period as HCPSS may decide. Time extensions may be granted only for excusable delays such as delays beyond the control and without the fault or negligence of the awarded bidder(s).

2.10 PRICE ADJUSTMENTS

HCPSS will only consider adjustments on labor rates based only upon federal minimum wage increases and decreases in the Consumer Price Index (CPI-W), Baltimore Region, as published by the Bureau of Labor Standards. Requested increases above a 5% cap will not be considered. In order to receive consideration for a price increase, the Contractor must submit to The Howard County Public School System, sixty (60) days prior to the contract expiration date, a statement of any change in the hourly rate wage actually to be paid to its employees during the renewal term.

Adjustments will be calculated by comparing the current index with the previous year's index so as to determine the change in index points. The point change will then be divided by the price index to obtain the percentage of change. The percentage of change will then be multiplied by .75 to obtain the adjustment to be applied to the current prices.

The HCPSS will also consider adjustments based on fees outside of the control of the Contractor, such as manufacturer price increases. However, such increases will be a "pass through" to the Howard County Public School System with no markup allowed. For such changes to be considered by the Howard County Public School System, documentation from the manufacturer (or any other applicable party) assessing a cost increase must accompany a written request from the Contractor. If you would like the Howard County Public School System to consider redactions in the event that your proposal is subject to a MPIA request, submit a proposed MPIA copy including justifications for each redaction and under what specific exemption that justification is qualified for redaction.
- c. Transparency in the use of public funding is fundamental to HCPSS operations. Prior to the award of bids and contracts, the Board of Education of Howard County reviews and approves cost to be incurred by the school system – therefore, offerors should be aware that submission to this RFP may subject your pricing offer to release in a public forum. Additionally, pricing and payments made by HCPSS under the resulting Contract may also become subject to release as public information. HCPSS may consider both the ability to obtain necessary pricing from future offerors as well as the potential to cause harm to the competitive position of offerors in determining release of pricing detail.
- d. Copyrighted submittals are unacceptable and will be disqualified as non-responsive. All submittals become the property of HCPSS.

2.21 CONTINGENT FEE PROHIBITION

The Consultant warrants that they have not employed or retained any person, partnership, corporation, or other entity, other than a bona fide employee or agent working for the consultant, to solicit or secure this agreement, and that they

No materials will be returned to the Contractor at the end of the contract period including any that are copyrighted. All documents, materials or data developed as a result of this contract shall be the property of HCPSS. Moreover, the Contractor shall be cognizant and enforce all federal and state regulations and policies and all proposals and subsequent work shall adhere to known regulations and policies.

2.24 SEX OFFENDER NOTIFICATION

Maryland law requires certain sex offenders to register with the local law enforcement agency; See *Maryland Annotated Code*, Criminal Procedure Article, §11-704. One of the purposes of this law is to inform school systems when a Registered Sex Offender is residing or working in the area. When the sex offender registers, the local police are required to notify the Superintendent of Schools, and the Superintendent, in turn, is required to send a notice to school principals.

As a contractor/consultant working for HCPSS we require that you do not employ Registered Sex Offenders to work on projects for our school system if they, as a result, are required to perform delivery, installation, repair, construction or any other kind of services **on HCPSS property**. Further, Maryland Law requires that any person who enters into a contract with a county board of education "may not knowingly employ an individual to work at a school" if the individual is a registered sex offender; See §11-722 Criminal Procedure Article. An employer who violates this requirement is guilty of a misdemeanor and if convicted may be subject to up to five years imprisonment and/or a \$5,000 fine.

Each contractor shall regularly screen their workforces to ensure that a Registered Sex Offender does not perform work at a county public school and also ensure that a subcontractor and independent contractor conducts screening of its personnel who may work at a school. The term "work force" is intended to refer to all of the contractor's direct employees and subcontractors and/or independent contractors it uses to perform the work. Violations of this provision may cause HCPSS to take action against the contractor up to and including immediate termination of the contract for cause.

Additionally, § 6-113 of the Education Article further requires that a contractor or subcontractor for a local school system may not knowingly assign an employee to work on school property with direct, unsupervised, and uncontrolled access to children, if the employee has been convicted of, or pled guilty or nolo contendere to, a crime involving a sexual offense, child sexual abuse and crimes of violence. The Awarded Bidder(s) shall submit to HCPSS a listing of any employees assigned to perform under this agreement and certify that the necessary criminal history records checks have been conducted and that all assigned employees comply with the requirements and procedures of HCPSS.

2.25 CRIMINAL BACKGROUND CHECKS

All employees, agents, or representatives of the Awarded Bidder(s) that will have unsupervised, uncontrolled, or direct access to children or that are assigned duties where unsupervised contact with children is likely, are subject to a criminal history background check by HCPSS. Such persons must provide fingerprints and other required information in accordance with HCPSS requirements to facilitate such a check, as well as pay for the necessary fees to obtain such a check from the federal or state government. At the completion of a background check, the school system may, at its sole discretion, decide that a particular employee, agent, or representative of the Contractor be barred from school system property. The cost will be borne by the Award Bidder and all records will remain in the control and custody of the school system. Further instructions for this process will be provided to the Awarded Bidder(s).

2.26 ETHICS

The Board of Education of Howard County has adopted an Ethics policy. In accordance with Board Policy 2070-Ethics, offerors are hereby notified that the giving or offering of a gift or series of gifts to a Board official or employee is improper and may result in disqualification from future work on the grounds that the Offeror is no longer a responsible Offeror. All bidders are placed on notice that all questions/interpretations concerning the Board Ethics Policy may be submitted to the Ethics Review Panel.

2.27 DEBARMENT STATUS

By submitting their proposal, the offeror(s), certify that they are not currently debarred by the State of Maryland or another governmental entity from submitting bids or proposals on contracts for the type of products or services covered by this solicitation, nor are they an agent of any person or entity that is currently so debarred.

The Board of Education of Howard County maintains a tobacco, alcohol/drug free environment. The sale or use of tobacco, alcohol or drugs, in any form, or related product, is prohibited in school buildings and grounds at all times. Persons found violating this policy will be requested to remove the product and themselves from school premises. Repeated use or sale of tobacco on HCPSS property, or any use or sale of alcohol, misuse of other drugs, or any use of illegal drugs by a contract employee while servicing this contract or while on HCPSS property will result in a prohibition of that employee from servicing the HCPSS contract. Repeated instances of violations by contract employees may result in termination of the contract for cause.

2.29 INDEMNIFICATION

The Awarded Bidder(s) shall be responsible for any loss, personal injury, expense, death and/or any other damage which may occur by reason of its acts, negligence, willfulness, or failure to perform any of its obligations under this agreement. Furthermore, any acts on the part of any agent, director, partner, servant or employee of the Awarded Bidder(s) are deemed to be the Awarded Bidder's acts.

The indemnification obligation of the Awarded Bidder shall include but shall not be limited to injuries to individuals and property of individuals who are not parties to the contract. In addition, the indemnification obligation of the Awarded Bidder shall cover the acts or omissions of any permitted subcontractors hired by the Awarded Bidder. Your acceptance of the awarded contract acknowledges your commitment and compliance with ADA.

Such Security Best Practices shall comply with an accepted industry standard, such as the NIST cybersecurity framework that the Maryland State IT Policy and Standards utilize.
- (B) To ensure appropriate data protection safeguards are in place, the Contractor shall implement and maintain the following controls at all times throughout the Term of the Contract (the Contractor may augment this list with additional controls):
 - 1. Establish separate production, test, and/or training environments for systems supporting the services provided under the Contract and ensure that production data is not replicated in test or training environment(s) unless it has been previously anonymized or otherwise modified to protect the confidentiality of Sensitive Data elements. The Contractor shall ensure the appropriate separation of production and non-production environments by applying the data protection and control requirements listed in Section **(Data Protection and Controls)**.

2. Apply hardware and software hardening procedures as recommended by Center for Internet Security (CIS) guides <https://www.cisecurity.org/>, <http://iase.disa.mil/Pages/index.aspx>, or similar industry best practices to reduce the systems' surface of vulnerability, eliminating as many security risks as possible and documenting what is not feasible or not performed according to best practices. Any hardening practices not implemented shall be documented with a plan of action and milestones including any compensating control. These procedures may include but are not limited to removal of unnecessary software, disabling or removing unnecessary services, removal of unnecessary usernames or logins, and the deactivation of unneeded features in the Contractor's system configuration files.
3. Ensure that HCPSS data is not comingled with non-HCPSS data through the proper application of compartmentalization Security Measures.
4. Apply data encryption to protect Sensitive Data at all times, including in transit, at rest, and also when archived for backup purposes. Unless otherwise directed, the Contractor is responsible for the encryption of all Sensitive Data.
5. For all HCPSS data the Contractor manages or controls, data encryption shall be applied to such data in transit over untrusted networks.
6. Encryption algorithms which are utilized for encrypting data shall comply with current Federal Information Processing Standards (FIPS), "Security Requirements for Cryptographic Modules", FIPS PUB 140-3: <https://nvlpubs.nist.gov/nistpubs/FIPS/NIST.FIPS.140-3.pdf>

13. Perform regular vulnerability testing of operating system, application, and network devices. Such testing is expected to identify outdated software versions; missing software patches; device or software misconfigurations; and to validate compliance with or deviations from the security policies applicable to the Contract. Contractor shall evaluate all identified vulnerabilities for potential adverse effect on security and integrity and remediate the vulnerability no later than 30 days following the earlier of vulnerability's identification or public disclosure, or document why remediation action is unnecessary or unsuitable. The Contractor shall perform routine vulnerability scans and take corrective actions for any findings.
18. Conduct regular external vulnerability testing designed to examine the service provider's security profile from the Internet without benefit of access to internal systems and networks behind the external security perimeter. Evaluate all identified vulnerabilities on Internet-facing devices for potential adverse effect on the service's security and integrity and remediate the vulnerability promptly or document why remediation action is unnecessary or unsuitable. APPENDIX B

STUDENT DATA PRIVACY AGREEMENT: APPLICABLE TO HOWARD COUNTY PUBLIC SCHOOL SYSTEM USERS/MEMBERS

This is an agreement between _____ ("VENDOR", or "Company", or "Consultant", terms to be used interchangeably) and the Howard County Public School System ("HCPSS," "System," or "CLIENT"). This agreement is valid for the entirety of the contractual arrangement between the VENDOR and HCPSS.

HCPSS, as a Government entity, is required when entering into agreements with other parties to follow all applicable laws and regulations, including those related to data privacy and security; accessibility; and records retention. Accordingly, the VENDOR's Terms of Service (TOS) are hereby modified by this Amendment as they pertain to HCPSS's use of the Company's Site and/or Services.

- A. **Purpose of the Agreement:** Under this agreement, the VENDOR will be providing the following services: to provide school-based mental health services at schools throughout the Howard County Public School System (HCPSS) as assigned. Goals for the school-based mental health services are: 1) to provide programs that address early intervention and prevention services for students and families in need, and 2) to increase access to ongoing mental health services for HCPSS students and families in a non-stigmatizing environment.
- B. **Definition of "CLIENT DATA":** Under this agreement, CLIENT DATA is defined as: (1) all Personally Identifiable Information (PII) contained in a student's "education record" as defined by the Family Educational Rights and Privacy Act (FERPA) (34 CFR Part 99); and (2) other non- public information that include, but are not limited to: personally identifiable personnel data, personally identifiable student data, personally identifiable metadata, and personally identifiable user content.
- C. **Data Collection and Use:** VENDOR will collect and use CLIENT DATA only for the purpose of fulfilling its duties and providing services under this Agreement as defined in Section A, and for improving services under this Agreement.

1. **Specific CLIENT DATA Shared Under this Agreement**

- i. Information associated with maintaining authentication between VENDOR and CLEINT, e.g., public/private keys, LTI secret, OATH keys.
 - ii. Information associated with maintaining a user's profile, e.g., username, email address, first name, last name, source IP address, or cookies.
 - iii. A user's status within the service, e.g., number of questions answered, time elapsed in lesson, student's score.
- D. **Education Records:** If VENDOR will have access to "education records" as defined under the Family Educational Rights and Privacy Act (FERPA) (34 CFR Part 99), the VENDOR acknowledges that for the purpose of this Agreement it will be designated as a 'school official' with 'legitimate educational interests' and will use the Education Record only for the purpose of fulfilling its duties under this Agreement.
- E. **Data De-Identification:** VENDOR may use de-identified Data for product development or other internal purposes only. De-identified Data will have all direct and indirect personal identifiers removed. This includes, but is not limited to: name, ID numbers, date of birth, demographic information, location information, and school ID.

Furthermore, VENDOR agrees not to attempt to re-identify de-identified Data.

- F. **Data Mining, Marketing and Advertising:** Except as indicated in Section E above, VENDOR is prohibited from mining CLIENT DATA for any purposes other than those agreed to by the parties. **Data mining or scanning of user content for the purpose of advertising or marketing to students or their parents is prohibited. Any and all forms of advertisement, directed towards children, parents, guardians, or District Employees will be strictly prohibited unless allowed with express written consent of the District.**
- G. **Modification of Terms of Service:** VENDOR will not change how CLIENT DATA are collected, used, or shared under the terms of this Agreement in any way without advance notice to the CLIENT. This Agreement is the entire agreement between the CLIENT (including all District end users) and the VENDOR. All other agreements or understandings, whether electronic, click-through, verbal or in writing, with District Employees or other End Users shall be null and void.
- H. **Data Sharing:** VENDOR will not share CLIENT DATA with or disclose it to any third party, except to affiliated subcontractors, agents, or third-party service providers of the VENDOR as required to fulfill the purpose of this agreement, without prior specific and informed written consent of the CLIENT, except as required by law.
- I. **Data Storage:** CLIENT DATA will not be stored outside of the United States without prior, specific, and informed written consent from the CLIENT.
- J. **Data Deletion:** Upon termination or completion of the Services hereunder and at the request of the CLIENT, VENDOR will delete the CLIENT DATA, provided that VENDOR may maintain archival copies for audit purposes and dispute resolution purposes. If VENDOR maintains archival copies of CLIENT DATA, VENDOR shall remain under the contractual obligations of this agreement regarding the maintenance and use of CLIENT DATA. This Section shall survive the termination of this Agreement.
- K. **Terms, Data Transfer, Survival and Destruction:** The CLIENT may immediately terminate the Agreement if the CLIENT determines the VENDOR has breached this Agreement. The Agreement will automatically terminate at the expiration date. However, the VENDOR's obligations shall survive termination of this Agreement until ALL CLIENT Data has been returned and/or securely removed or destroyed. VENDOR will ensure that all Data in its possession and in the possession of any subcontractors, or agents to which the VENDOR may have transferred Data, are destroyed.
- L. **Rights and License:** All goods, products, materials, documents, reports, writings, video images, photographs, papers and intellectual property of any nature including software or computer images prepared by the VENDOR (or subcontractors) for the CLIENT or from CLIENT-provided material will not be disclosed to any other person or entity and remains the property of the CLIENT. All student-produced work remains the property of the CLIENT or that eligible student. The VENDOR has a limited, nonexclusive license to the data described herein solely for the purpose of performing its obligations as outlined in the Agreement. This Agreement does not give VENDOR any rights, implied or otherwise, to CLIENT Data, content, or intellectual property, except as expressly stated in the Agreement, including any right to sell or trade CLIENT Data. VENDOR will not use CLIENT's NAME or CLIENT DATA in any publications, without prior and specific writing authorization from the CLIENT. No part of this clause will prevent the VENDOR from sharing its open educational resources developed for public distribution on its platform.

- M. **Access:** Except as otherwise expressly prohibited by law, the VENDOR will immediately notify the CLIENT of any subpoenas, warrants, or other legal orders, demands or requests, including Audits, and governmental requests and demands, received by the VENDOR seeking CLIENT Data. If the CLIENT receives a similar request, the CLIENT will promptly provide the VENDOR with a copy of official request and the records or information required by the CLIENT to respond.
- N. **Security Controls and Risk Management:** VENDOR will store and process CLIENT Data in accordance with industry best practices. This includes appropriate administrative, physical, and technical safeguards to: 1) ensure the security and confidentiality of CLIENT DATA; 2) protect against any anticipated threats or hazards to the security or integrity of CLIENT DATA; 3) protect against unauthorized access to or use of CLIENT DATA that could result in substantial harm or inconvenience to any customer or to any client employee and/or student; and 4) dispose of CLIENT DATA Information in a secure manner.
1. To comply with the safeguard obligations generally described above, VENDOR has (a) designated an employee to coordinate its information security program, (b) identified reasonably foreseeable internal and external risks to the security, confidentiality, and integrity of CLIENT DATA that could result in the unauthorized disclosure, misuse, alteration, destruction, or other compromise of such data, and assessed the sufficiency of any safeguards in place to control these risks, and (c) designed and implemented information safeguards to control the risks identified through the risk assessment, and regularly tests or otherwise monitors the effectiveness of safeguards' key controls, systems and procedures.
 2. VENDOR will conduct periodic risk assessments and remediate any identified security vulnerabilities in a timely manner. VENDOR will also have a written incident response plan, to include prompt notification of HCPSS in the event of a security or privacy breach (as hereinafter defined), as well as best practices for responding to a breach of PII.
- O. **Data Breaches:** VENDOR shall notify CLIENT in writing as soon as commercially practicable, however no later than forty-eight (48) hours, after VENDOR has either actual or constructive knowledge of a breach which affects the confidentiality, integrity, and/or availability of CLIENT's DATA (a "BREACH") unless it is determined by law enforcement that such notification would impede or delay their investigation. VENDOR shall have actual or constructive knowledge of a BREACH if VENDOR actually knows there has been a BREACH or if VENDOR has reasonable basis in facts or circumstances, whether acts or omissions, for its belief that a BREACH has occurred. The notification required by this section shall be made as soon as commercially practicable after the law enforcement agency determines that notification will not impede or compromise the investigation. VENDOR shall cooperate with law enforcement in accordance with applicable law provided however, that such cooperation shall not result in or cause an undue delay to remediation of the BREACH. VENDOR shall promptly take appropriate action to mitigate such risk or potential problem at VENDOR's expense. In the event of a BREACH, VENDOR shall, at its sole cost and expense, restore the Confidential Information, to as close its original state as practical, including, without limitation any and all CLIENT Data, and institute appropriate measures to prevent any recurrence of the problem as soon as is commercially practicable.
- P. **Employee and Subcontractor Qualifications:** VENDOR shall ensure that its employees and all subcontractors who have potential access to CLIENT DATA possess

all needed qualifications to comply with the terms of this Agreement. Further, all employees and subcontractors are subject to the same FERPA compliance in relation to the 'school official' designation and shall be trained that the re-disclosure of PII and/or Confidential Information will violate federal and state laws and may result in criminal and/or civil penalties.

- Q. **Governing Law:** This agreement shall be governed by and construed in accordance with the laws of Maryland, excluding its choice of law rules. Any action or proceeding seeking any relief under or with respect to this Agreement shall be brought solely in the appropriate Maryland Court. VENDOR will comply with Maryland Education Code ANN. § 4-131, "Operators of School Internet Web sites, Online Services, Online Applications, and Mobile Applications." VENDOR agrees to be bound as an "operator" under the law regardless of the VENDOR's exemptions that may exist in Maryland Education Code ANN. § 4-131(a)(3).
- R. **Monitoring:** VENDOR agrees to allow CLIENT the ability to audit VENDOR's use of CLIENT DATA to ensure compliance with the terms of the Agreements.
