**Questions**

---

1. Question : We are a CBE certified manufacturer and distributor of light fixtures. Is it possible to use an alternative or value engineer this project. If so, please send us the fixture schedule and counts and we will provide a quote. If we can not provide all of the fixtures do you still want us to provide a quote?

Answer: Per the specifications in the bid documents, we are asking for the contractors to provide lighting fixtures and Installation. We are only accepting proposals that includes the entire scope of work.

As a manufacturer of lighting fixtures, we would suggest that you contact one of the prime contractors bidding on the project and collaborate on a proposal.

We would also refer you to our Bid Document that can be downloaded on our Purchasing website. Please see section 000720 – HCPSS Supplemental General Terms and conditions- section 2.40 (Brand Name or Equal) for instructions on substitutions.

In addition please see section 2.41 (Proposed Substitutions) where it says “No substitutions will be considered prior to Bid.”
